

FEBRUARY UPDATE

ELEMENTARY

A LETTER FROM THE TEAM

Hello families!

Despite the extra day this month, February has truly flown by! Students recently celebrated the 100th day of school and many of us dressed up as 100 year old people. Teachers have been hard at work writing progress reports and we look forward to sharing your child's progress with you the week of March 8th!

Please consider joining us for the 3rd annual Winter Stroll this weekend! The event, which takes place on Saturday from 12:30-1:30 is a great opportunity to see your child's art work, socialize with other families, and enjoy some abnormally warm "winter weather" on the Windham Woods trails! We hope to see you there!

Warmly,
Kristen & the Elementary team

HOMEWORK AT WWS ELEMENTARY

Spiraled teaching and repetitive practice are crucial for our students at WWS. Homework assignments are geared towards independent practice and application of previously learned skills. The goal is that homework be completed independently by students. Teachers use these work samples as another way to gauge skill development and retention.

One thing homework should never be is a stressor. If your child is unable to complete an assignment, please just sign off on the assignment and let his/her teacher know.

FANCY FEBRUARY

2

The Elementary's very own Noah R. advocated to Ms. Havey to start monthly school wide spirit days! Fancy February was a hit! We look forward to mix-match March, which is coming up on Wednesday, February 20th!

CALLING ALL LEGO LOVERS!

Buildwave is offering an 8 week after school activity from 3-4 pm on Fridays starting 3/22! Please email Kristen Havey to sign your child up for this great opportunity! The cost of this activity is \$200 and the dates it will meet can be found below!

3/22, 3/29, 4/5, 4/26, 5/3, 5/17, 5/31 & 6/7!

LIBRARY CARD REMINDERS <<<

Windham Woods students have access to Windham Public Library cards. These cards allow them access to media sign outs, research engines, and audiobooks. If you haven't already, please sign [this library form](#) and return it to your child's teacher by 3/15/24 so that they are able to receive a library card when Windham librarians visit during Literacy Week in April!
