

# WWS ELEMENTARY SEPTEMBER NEWSLETTER

## Happy Fall!

Hello families! Welcome to another beautiful fall at Windham Woods! Students have been busy learning routines, building relationships with their teachers and peers, and engaging in learning about topics such as Birds of Prey and Space! Thank you for allowing us to be a part of your child's educational journey. Each student at WWS is hardworking, inquisitive, and kind. We are so glad that they are here!

## What's Happening This Week?

### Minis with a Mission

Windham Woods is delighted to have Minis with a Mission visit us this week! The group will bring along mini donkeys and horses that students will be able to interact with, learn about, and take photographs with. Teachers are looking forward to having students write about this opportunity in ELA (and let's be real, they're excited to meet these adorable friends, too!)

### Open House

Please join us Thursday night for Elementary Open House! This in-person event invites parents onto campus to meet with their child's teachers, hear about content and strategies used in our classrooms, and connect with other parents. We hope to see you there!

## Peer Buddies

All Elementary students will be meeting with their Middle School buddies starting the first week of October! The Elementary program is also lucky enough to have High School Peer Leaders run sports, arts & crafts, and nature activities during recess.

## Reading & Math Groups

Students have completed initial placement assessments and have begun working in reading and math groups this month! Teachers will be reaching out to introduce themselves via email.
